

SONG OF JESUS

A Gospel Project Proposal

I. Purpose

To reveal, piece by piece, the life of Jesus—which is abundant and vivid with flesh and blood, for Christians and non-Christians alike to see and touch, to eat and drink. (John 6:55; 1 John 1:1)

II. Origin

We know that grace and truth came by Jesus. Not only do the world's only hope and opportunity stem completely from Him, but the life and power of Christians also come from Him. (John 1:17; 15:5; 1 John 5:12; Acts 4:12, etc.)

We see that, for various reasons, the world does not value Jesus, does not know Jesus: they are missing God-given opportunities. At the same time, various reasons can also cause Christians to fail in focusing on Jesus, not eating and drinking Jesus, losing the power of faith.

We discover that although Jesus is a ration from Heaven, unless someone breaks the bread of Jesus from the Bible and feeds the people, piece by piece, it is difficult for individuals to be nourished by His life. (John 5:39-40; Luke 14:27; Acts 8:35)

VI. Anticipation

From a big picture perspective: it is now winter – the season for roots to take hold, a time for waiting and preparation. When springtime arrives and the earth rejuvenates, we hope SONG OF JESUS can awaken Chinese believers, bringing forth a wave of energy, returning to Jesus, regaining power, and reviving life.

Inside the church – although the pastor emphasizes the church, the theologian emphasizes theology, and the average Christian follows tradition – the relationship between the foundation and the building cannot be misunderstood: in other words, the church, theology, tradition, etc. must be built upon the foundation of Jesus. (Matthew 16:18)

SONG OF JESUS is targeting those who build upon a foundation of Christ: serving the church, theology, ministry, and every single believer.
